

ECOSYSTEM & ESG BENEFITS FOR SCHOOLS

The number of FTUs purchased determines the packages available.

WITH OVER 30 CHOICES, YOUR CUSTOMIZED PACKAGE MAY INCLUDE:

- Nationwide Student Forest Ambassador Program
- Scholarship, employment & fundraising opportunities
- Recognized as an investor in a nature-based solution to climate change
- Student education and engagement modules
- Student networking opportunities across Canada
- Online and in-person events with high profile environmentalists
- A dynamic private portal with curated programming and resources
- Proprietary Net-Zero Calculator and Forestcaster™

WHAT IS A FOREST TRUST UNIT (FTU)?

1 FTU

= 5 acres

= 5000+ seedlings

A FTU is a 5 acre Smart Forest that contains 5000+ planted seedlings. This is an ecologically biodiverse area that is under joint stewardship between CFT and the designated environmental steward.

Every FTU will:

- undergo a 5-phase strategic action plan
- be validated by modern science
- be protected under the forever no clear-cut guarantee

We will engage Indigenous land knowledge holders in our decisions.
